## **Gasshuku Karate Do – Valencia, July 21 – 27, 2019**

In the 2019 summer we'll have our second one week karate course.

After last year success, as we want to do something different, we are not offering just a karate course but a true holiday for the whole family, one week to enjoy our martial art, our families a a city with beaches and a cultural and party atmosphere to achieve an unforgettable experience.

Every detail has been taken into account: lodging in one of the best college residences in Spain, the Valencian university outstanding sport venues, the training hall at the **Polideportivo Virgen del Carmen – Beteró** (opposite the residence we'll be lodged in) and additional activities like a visit to the Albufera.

To prevent our partners from boring while we are practicing karate, we have thought of an alternative agenda for them (including dancing or body tonic classes and other sports), simultaneous to our daily practice.

In the Gasshuku we'll be able to profit from Master **Jesús Latorre's** (3 World Team Kata Championships, 2 Europ Team Kata Championships) teachings on traditional karate, kata, application and bunkai, kumite, self-defence and advanced classes for kata competitors.

All this at an unbeatable price for an unforgettable week with family or friends; we have not been able to find a similar lodging in Spain below twice the price we are offering.

Arrival Sunday 21 evening (room and schedule assignment from 18:00), exit July 27 after breakfast, full lodging and karate course: **€320** each (3 / 4 persons per room, mostly 3), **€341** each (2 persons per room) and **€396** in single rooms.

Karate course without lodging: **€135.**
