Gasshuku Karate Do – Valencia, July 24 - 30 2018

Next summer we shall hold our first week-long karate course.

As we want to make something different, we won't offer just a karate course but a true holiday for the whole family: a week to enjoy our martial art, our families and a city offering beaches and cultural and party environments, making it all unforgettable.

We have thought of everything: lodging at one of the best university residences in the country, top level sport facilities at Universidad de Valencia and extra activities like visits to Ciudad de las Ciencias and L'Oceanogràfic.

So that our companions don't get bored while we are practicing karate, we have thought of activities to be held simultaneously to our daily practice, such as dance, body tonic and other sport modalities.

The best Masters in our martial art shall be available: **Esteban Pérez** (Chairman, WKF Organizing Committee), who will teach History of Karate; **José Manuel Egea** (7 World Kumite titles, regarded as the best Kumite fighter ever) will teach Kumite; **Jesús Latorre** (3 World Team Kata titles, 2 Europe Team Kata titles) will teach traditional Karate, Kata, applications and Bunkai; **Jesús Potrero** (Jujutsu and Kobudo Master) will teach Kobudo.

All this for a price that will allow you to enjoy an unforgettable week with your family and/or friends.

Check-in: Tuesday 24 in the evening (room and schedule assignment from 18:00 on). Check-out: Monday 30 at noon. Course and full board: **€315** per person (3-4 people per room), **€335** per person (2 people per room) or **€390** per person (single rooms).

Course only (accommodation not included), **€130**

Neither the transfers nor the tickets to the excursions are included in the price of the course.

All students must have a valid medical/federative insurance policy - The organization will not be held responsible for any injuries suffered during the classes.

A 20% booking fee must be paid before January 31, 2018. The rest of the fee must be paid before July 15, 2018. These fees are not reimbursable in any case.

Karate Do Gasshuku participants will renounce to any image rights from pictures or video recordings taken in it.

Only our official video recordings and pictures may be taken in our classes.
